In an effort to follow the Club's motto, "Working in the interest of Sunset High School," the Dads Club has cooperated this year in every way possible with the faculty and student body to endeavor to make Sunset rank with the best high schools in America.

Early in the year, the Club adopted several objectives, one of which was to uphold a true American spirit by supporting the efforts to preserve our American institutions and liberty. The Club is also adding to the Memorial Fund which will be used to erect a permanent memorial in honor of the former students of Sunset who have offered their services to their country.

This year, as in the past, the Dads have given awards each semester to the most outstanding students in the various departments. They also maintain a loan fund which is available to any Sunset student who needs financial help to complete his school work.

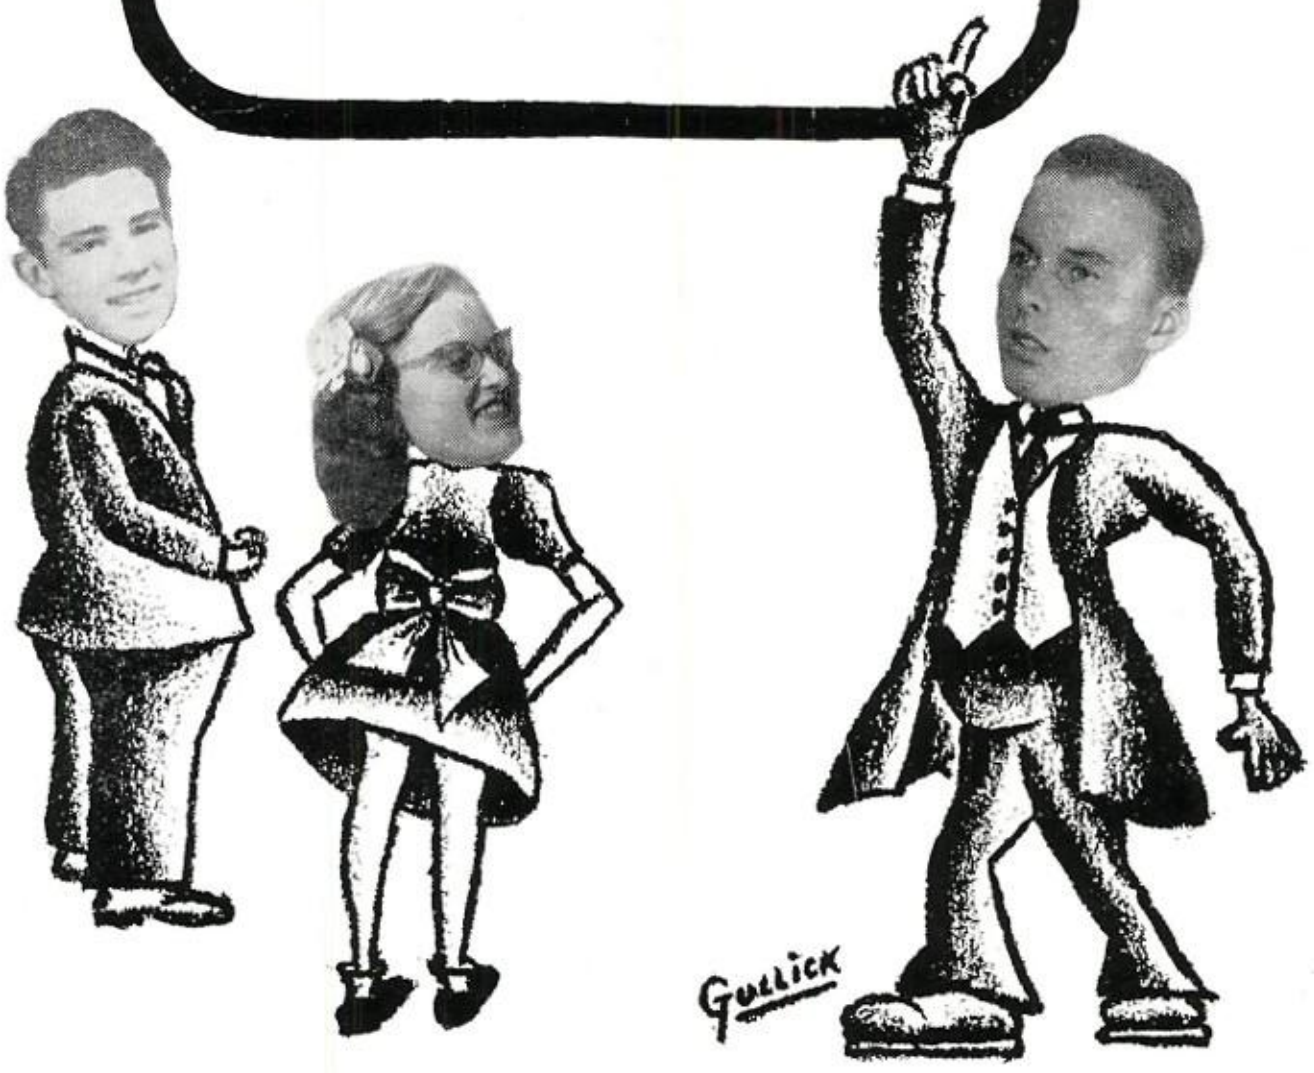
The objects of this association are to promote the welfare of children and youth in home, school, church, and community; to raise the standard of home life; to secure adequate laws for the care and protection of youth, and to bring into close relation the home and the school so that parents and teachers may cooperate intelligently in the training of the child and develop between educators and the general public such united efforts as will secure the highest advantages in physical, mental, and spiritual education for every child.

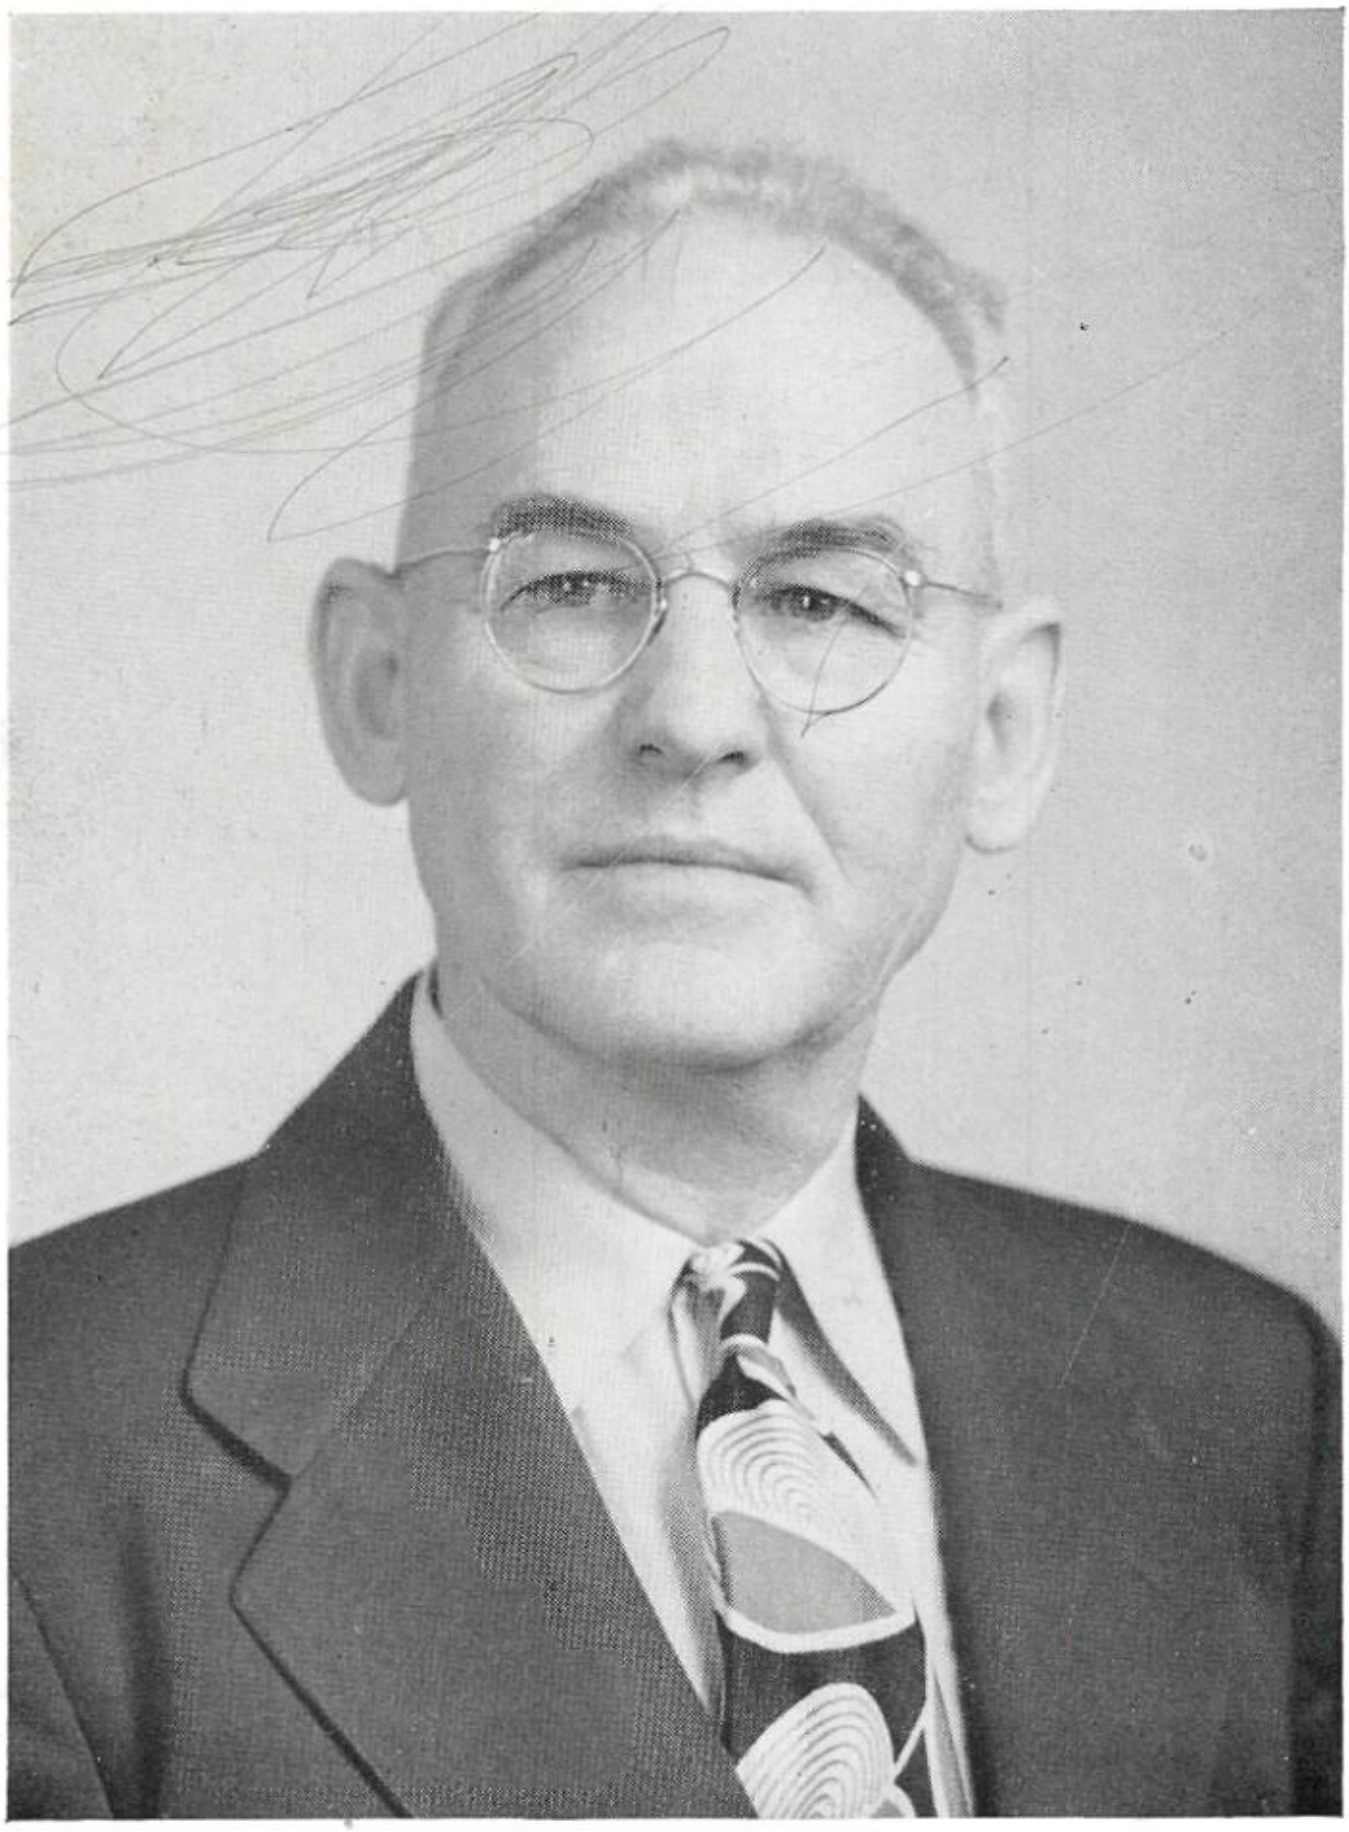
OUR MOTTO: "In essentials, unity; in non-essentials, liberty; in all things, charity."

Meetings are held on the second Friday of each month at 10:30 A. M. at Sunset High School.

To all the members of the faculty, whose steadfast devotion to both pupils and school has never ceased, and to whom we owe so much for having started us on the long road to success, we gratefully dedicate this 1945 SUN-DIAL.



DEDICATION



J. D. CHALK, JR.

To the Seniors:

"No one could tell me where my soul might be;
I searched for God, and He eluded me;
I sought my brother out, and found all three."

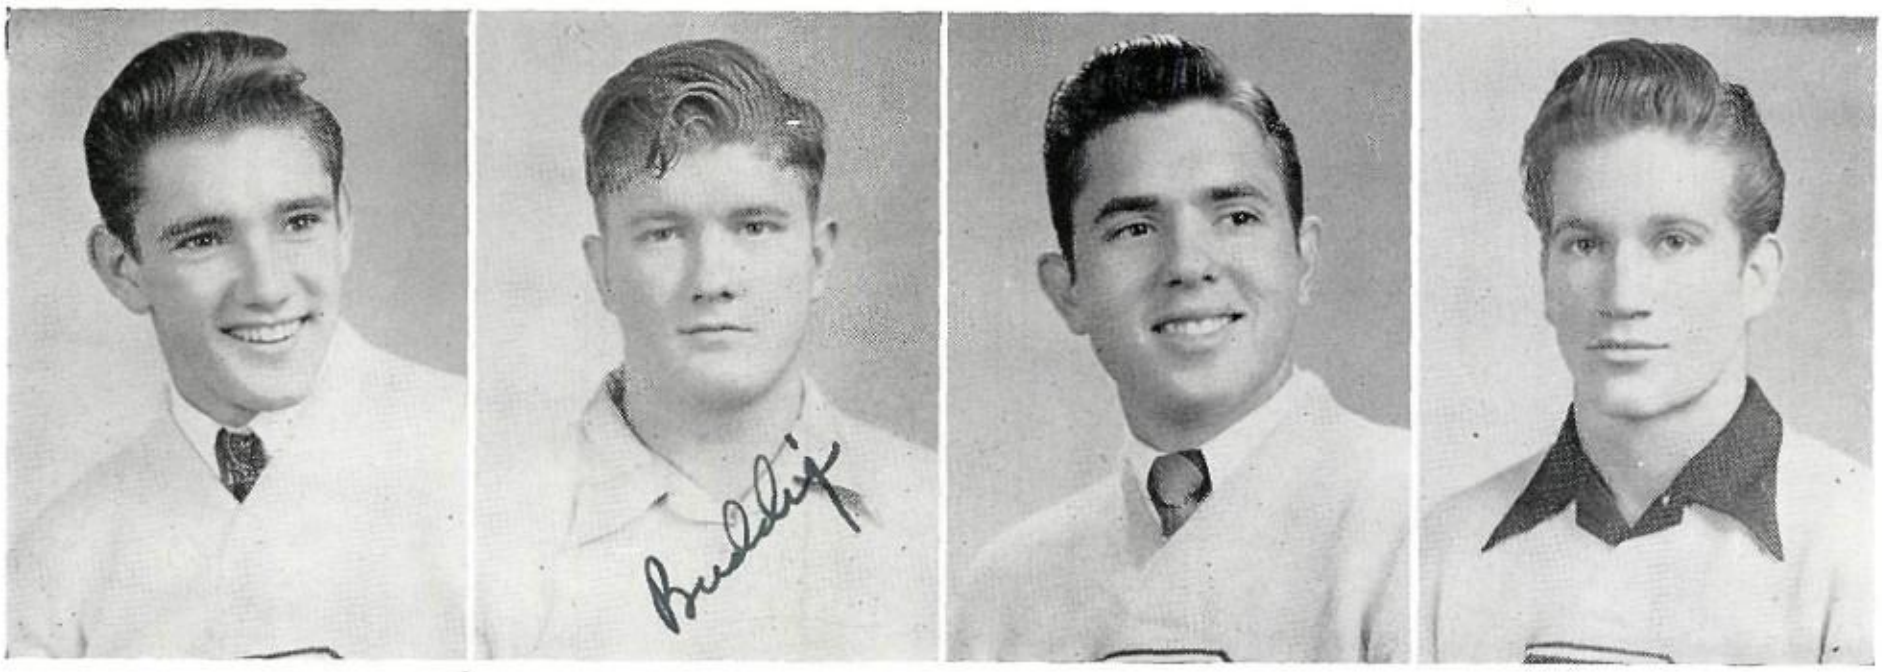
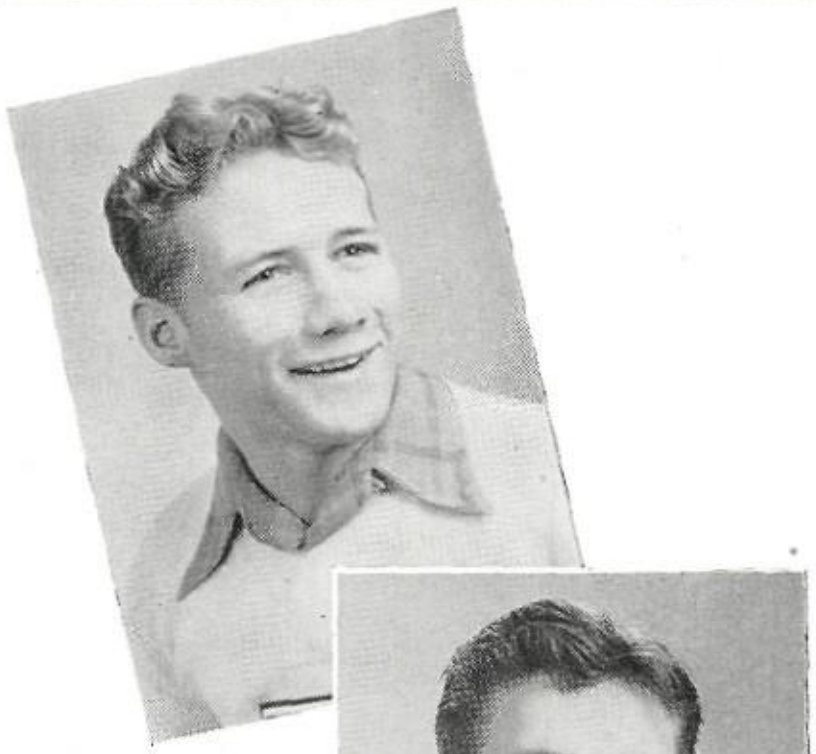
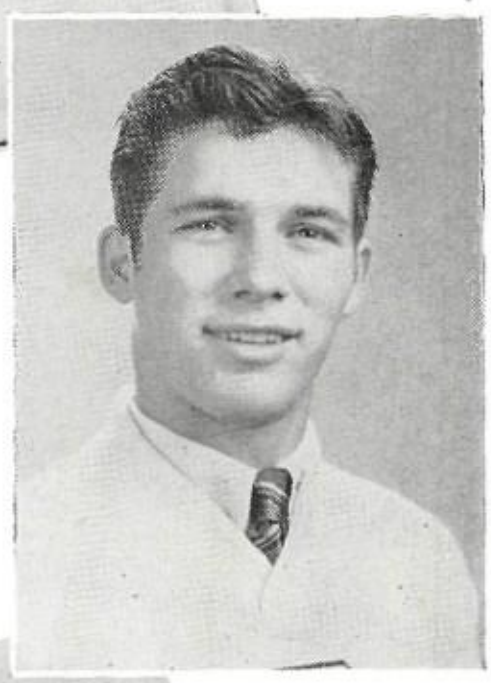
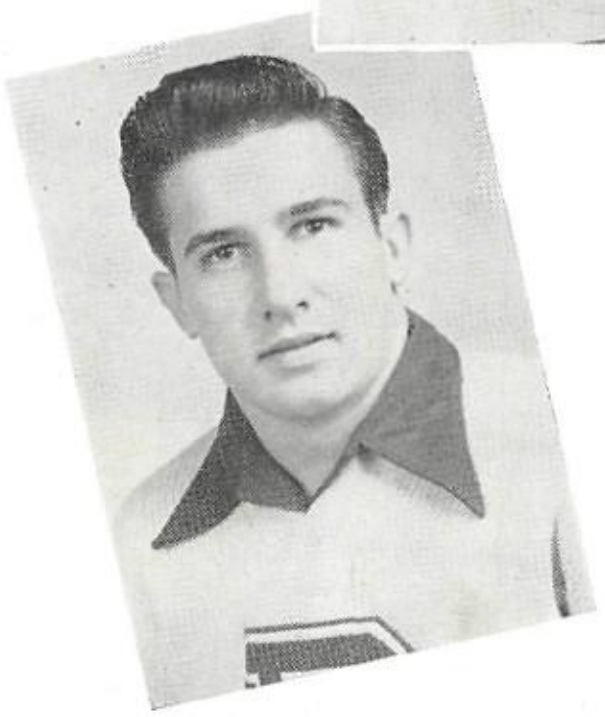
Herman A. Cowley

In appreciation of a job well done, we extend our thanks and best wishes to Mr. Cowley, who, through his expert coaching and untiring efforts, helped to make it possible for Sunset to win six consecutive city football championships.









LEFT TO RIGHT:

DAN FOLDBERG, FRANK MEISELL, LIN GOWER, CHARLES DICKERSON

TOP TO BOTTOM:

TED KANE, BOB WEBSTER, JIM MINNIS

DAN FOLDBERG

Tri-captain "Hank," an all-city end, is, like his big brother, one of the all time "greats" at Sunset. His love for the game and his hard playing have made him the inspiration and leader of the stampeding herd. He will again be tri-captain next fall when he returns.

FRANK MEISELL

"Measles" was a smashing tackle who was at his best when the going was toughest. His brilliant line play and sterling defense made him a very valuable lineman.

LIN GOWER

Tri-Captain "Tub" was the big bulldozer of the team, a crushing tackle who knocked down all opposition. The enemy seldom found a way through his position.

CHARLES DICKERSON

"Booger Red" had big shoes to fill, but he did a real job of it and became one of the hardest running and blocking backs in the district. He will be remembered for his courage and determination, and will be tri-captain next fall.

TED KANE

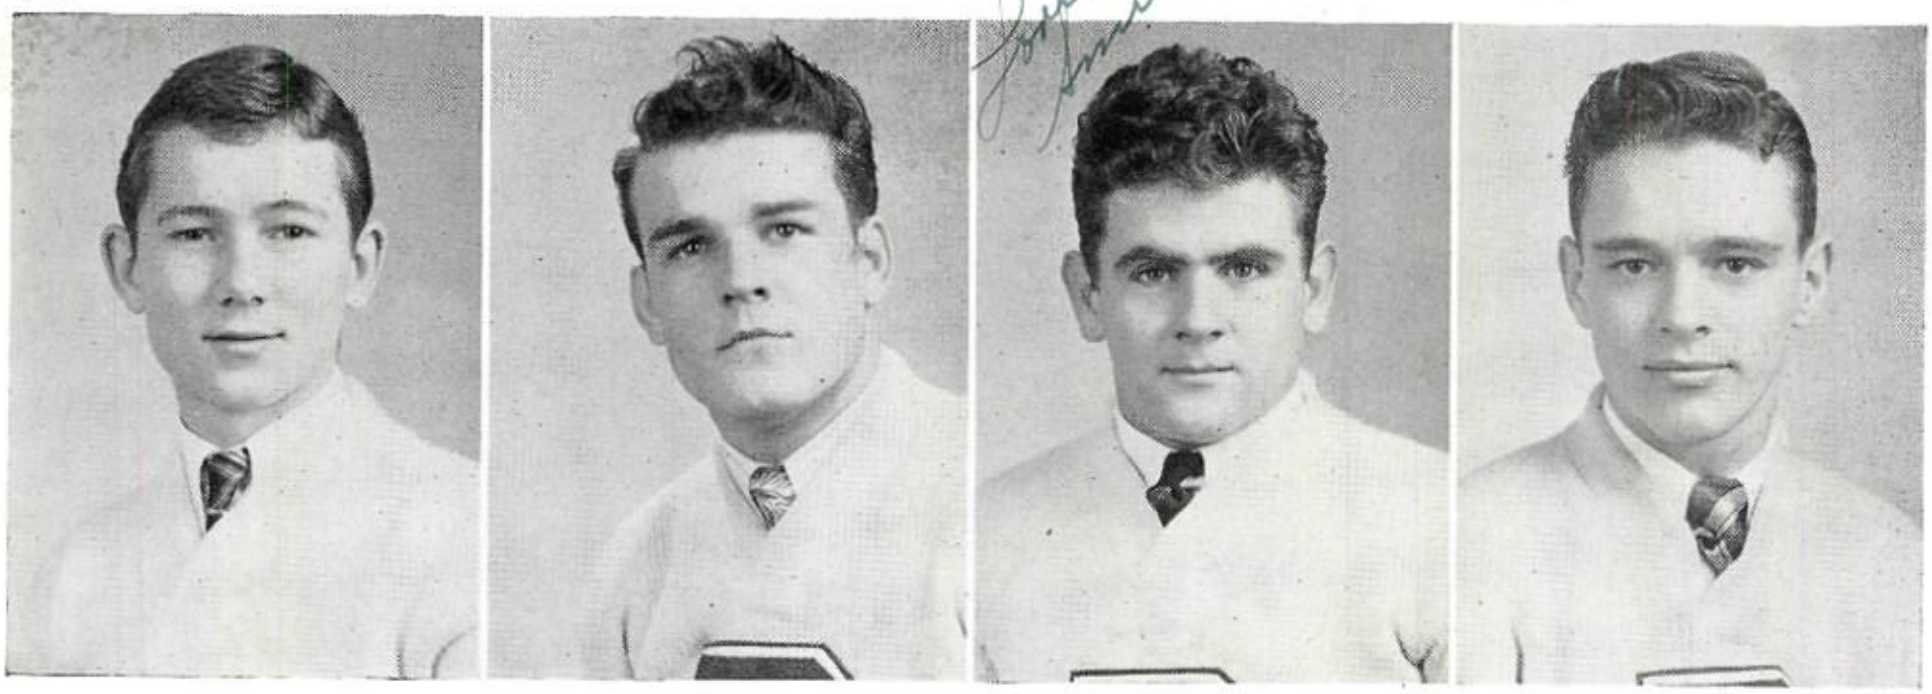
"Snobbles" was that fast, hard-charging guard, who packed that walloping block and tackle that will be talked about for years to come. He was unanimous all-city favorite, and the Purples had few worries when Kane was "holding that line."

BOB WEBSTER

"Web" was a smashing, driving fullback and a punter whose abilities kept Sunset on the scoring end of the field most of the time. He was tri-captain.

JIM MINNIS

"Minus" was a big, pounding fullback who could slash the opponents' line to pieces and drag his would-be tacklers for many a gain.

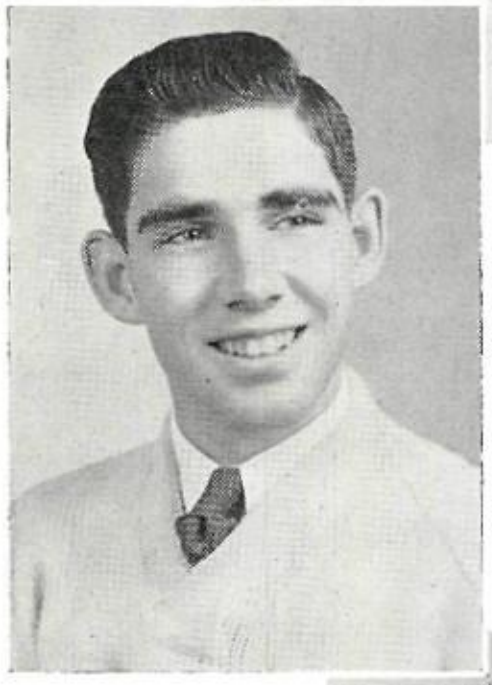


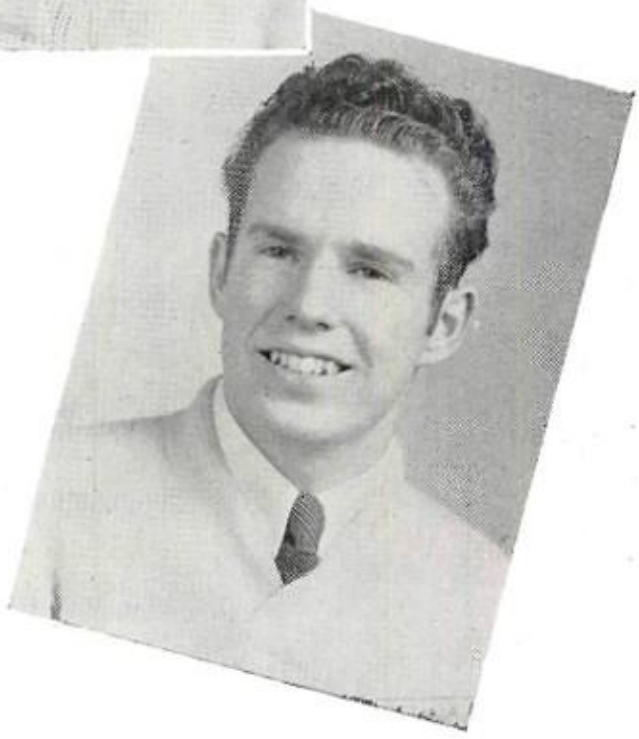
LEFT TO RIGHT:

D. C. WILLIAMS, THOMAS MURPHY, LOREN SMITH, JIM KALLSTROM

TOP TO BOTTOM:

CLAY SCOTT, DAVID THOMPSON, JOHN McELROY





D. C. WILLIAMS

"Bogan" was always the cool, calm, and collected triple threater who piloted the Bisons to all their victories. Although it was his first year out for football, he always called the right play at the right time and was seldom out of the game.

THOMAS MURPHY

"Murph" was a snapper back delux, whose line backing and pass defense kept Sunset one of the least scored on teams in the state. His name ranked high as unanimous choice for all-city center.

LOREN SMITH

"Big Smitty" was a rugged and hefty lineman from way back. He really bowled 'em over and blocked the way for many a Purple gain.

JIM KALLSTROM

Jim was another swell backfielder, a break away wingback whose foot artistry always found an opening for his long runs. He gained his city-wide fame by making some almost impossible runs.

CLAY SCOTT

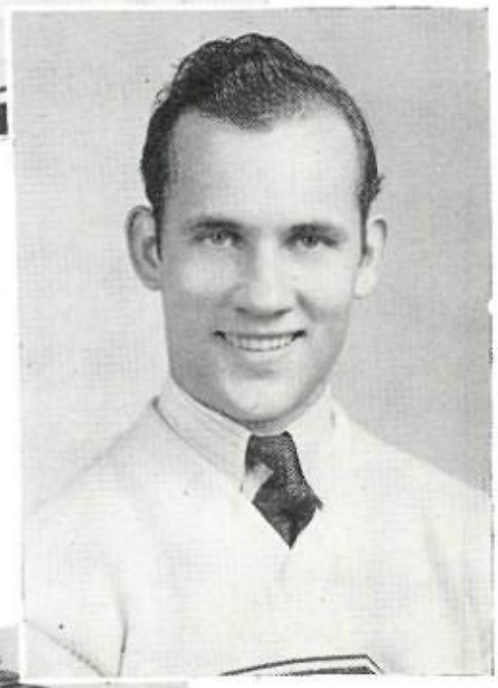
"Scottie" was an end who really filled his position and snagged more than his share of passes and ball carriers.

DAVID THOMPSON

Tommy's flying feet and vicious tackles made him a valuable fullback and line backer to the beloved Purple.

JOHN McELROY

"Mac" was a versatile back who really ran the other teams a race for their money! Well-liked he was, with a good athlete's outlook, and a letter three years in track to help him out on the football field.



LEFT TO RIGHT:

BILL HEATH, JOE OVERBECK, HUGH VAUGHAN, BOYD LOYD

TOP TO BOTTOM:

BILL GREEN, WINSTON MEDLIN, HORACE DE FORD

BILL HEATH

Heath was a great pivot man who saved the day more than once wth his brilliant line backing.

JOE OVERBECK

Joe was a versatile man who held down the position of both quarter and wingback. He passed the pigskin as well as ran with it.

HUGH VAUGHAN

"Digger" was a versatile tackle whose broken wrist did not keep him from getting in at the end of the season to be a reliable lineman and valuable asset to the team.

BOYD LOYD

"Bee's" bone crushing tackles and miraculous ability to diagnose plays made him a versatile standout at his outside position. He will be tri-captain next fall.

BILL GREEN

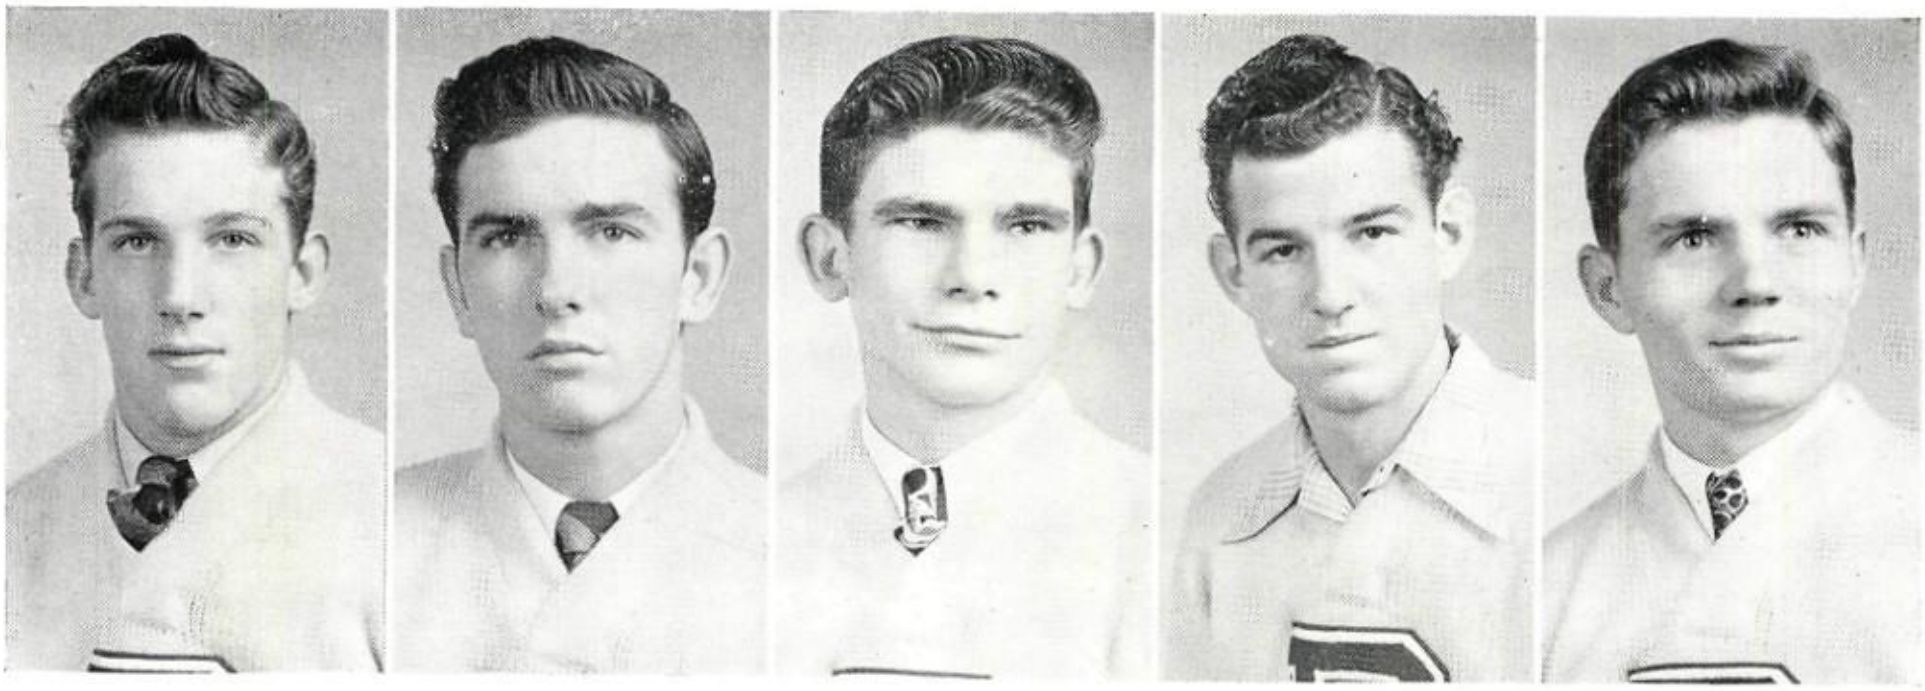
"Bilge" was the diminutive guard who continually raced through the opposition to mess up the opponents backfield play.

WINSTON MEDLIN

"Brownie" was a speedie, hard-hitting guard, whose pep and energy kept the team constantly in a good spirit.

HORACE DeFORD

"Big Deef" was a big bruising tackle with a talent that made him a terror on the defense. He was dependable with the right kind of spirit!

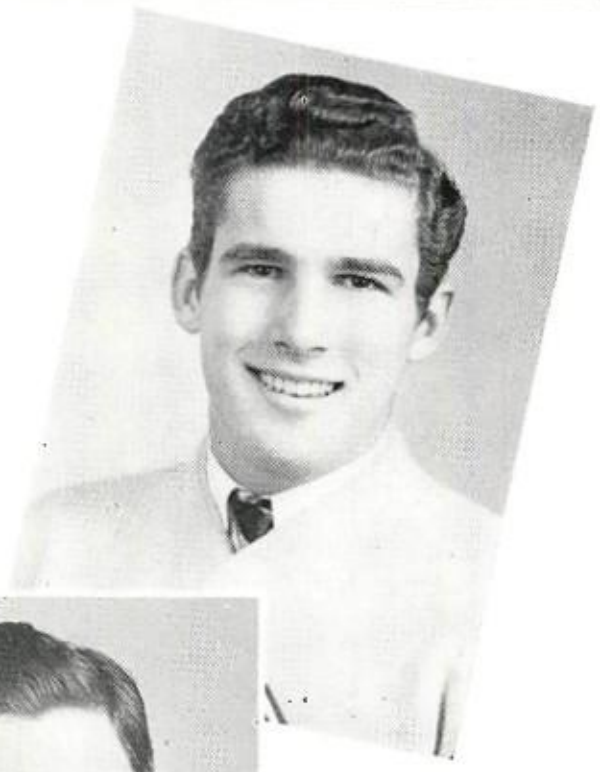


LEFT TO RIGHT:

JIM AVERY, JAMES HOLBROOK, JIMMY KIRKLAND, JAMES LITTON, GEORGE BLAKE

TOP TO BOTTOM:

GEORGE CARTER, GORDON JOHNSON, DeWITT GADBERRY



JIM AVERY

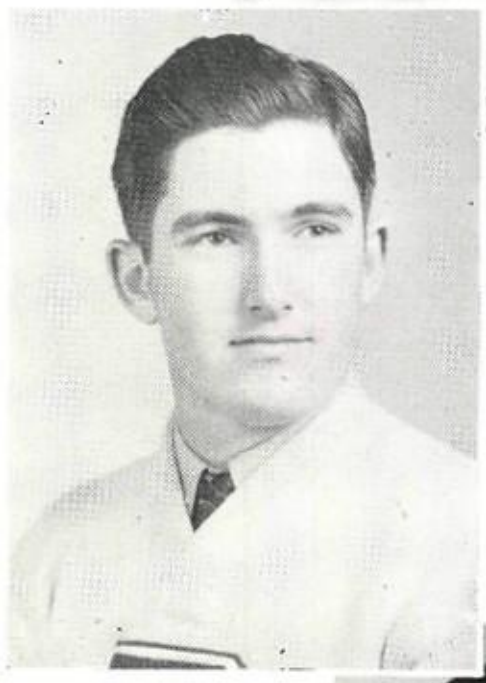
"Nosee" was a hard tackling end who was very difficult to circle. His spirit was outstanding at practice.

JAMES HOLBROOK

It was "Nigger" who could always be found on the bottom of the pile-up after a long legged gain—the pigskin still under his arm.

JIMMY KIRKLAND

"Spider" is one of those lofty glue-fingered ends who caught so many of those Bison passes by being "Johnny-on-the-Spot" at all times!



JAMES LITTON

"Lit" was a good signal caller, who never grew tried of the game. Fine spirit came from this bashful player.

GEORGE BLAKE

Blake was the spectacular half back who could always scamper through the "impossible" at the most opportune moments.

GEORGE CARTER

"Handsome" was a hard hitting blocking back with plenty of natural ability, and could drive his way through any opposition.

GORDON JOHNSON

"Gardenia," a tackle of heft, spirit, and courage, made the starting tackles hustle for their position. He is well liked by all his team mates and is an asset to the Purple herd.

DeWITT GADBERRY

"Submarine" was the manager of the fighting Bisons. He always looked out for their welfare. He was a great help and everybody's buddy!

The 1944-45 team won the City Championship for the second year in succession. They were defeated in Bi-District play by Paschal of Fort Worth, the team that won the State Championship. Sunset was the only team to defeat them this year. D. C. Williams, Dan Foldberg, and Paul Mitchell were selected for the All-City team. Paul Mitchell was high scorer in the city race.
